

# Let's Paint WA with Roses

**65 Roses Day  
for Cystic Fibrosis**

# 65 Roses Day

## Friday 24 May

### Get Involved

Every year, we sell roses all over WA to raise funds and awareness for people living with cystic fibrosis (CF). CF is the most common life-limiting genetic condition affecting Australians today.

**Here's how you can help us paint WA with roses this 65 Roses Day.**

### Sell Roses

Sell roses in your workplace or school on 65 Roses Day and deposit the funds you raise to Cystic Fibrosis WA.

### Gift a Bouquet

Gift a florist-arranged bouquet, delivered on 65 Roses Day. Posies from just \$35 delivered.

### Volunteer

Join our volunteer crew as an individual or team and help us wrap thousands of roses and sell them on 65 Roses Day.

To find out more and get started visit [www.cfwa.org.au/65roses](http://www.cfwa.org.au/65roses) or call **08 6457 7333**.
