

South West Respiratory Workshop

South West Respiratory Workshop

Health professionals are invited to attend this FREE upcoming South West Respiratory Workshop; a collaborative project between Asthma WA, Cystic Fibrosis WA, Dr Pam Laird from Telethon Kids Institute and Perth Children's Hospital and Fisher & Paykel.

This practical and interactive workshop is open to doctors, nurses, physiotherapists and allied health members and will provide an overview of chronic wet cough, protracted bacterial bronchitis and bronchiectasis, cystic fibrosis, asthma, MDI device technique and adult and paediatric high flow nasal therapy.

South West Respiratory Workshop- Bunbury

Date: Monday 22 November 2021

Time: 9am - 4pm

Venue: TEC Room, Bunbury Hospital

To register for this workshop contact Sharon at:

sharon.dewar@cfwa.org.au or call 08 6224 4165.
