

Support for Families

Cystic Fibrosis WA

CFWA is here to provide support and resources to assist children with CF and their families.

Our Services

Community Support Worker Service:

In-home assistance with airway clearance, exercise and respite.

Financial Support: To assist with CF-related costs and hospital travel/parking for those in financial need.

Portable Nebulisers: InnoSpire Go nebulisers are available on request, in consultation with PCH.

Occupational Therapy: In-home support with routines and behaviour management (Calm Kids Happy Families Program).

School & Community Education: Free online learning modules for teachers and educators and tailored CF Action Plan for students.

Psychosocial Support: Social work, counselling and crisis support.

Peer Support Events: Social events for parents, grandparents, siblings and other carers.

Hospital Support: Snack packs are available on the ward at PCH during an admission. Ask your CF nurse to collect yours.

CFTalk Parents Facebook Group: Join our private group to connect and share stories with other CF parents.

E-News: Our e-newsletters provide the latest in CF news, service updates and member stories. Sign up at the bottom of our home page.

CFWA Website: Our website hosts a range of information on CF related topics for various age groups as well as for parents and carers.
