

Cystic Fibrosis Action Plan

For day to day management of CF at daycare

<p>Student name and photo</p> 	<p>This plan details the individual needs of Child's Name in the daycare setting. It has been developed with input from the parent/carer and CF team and is intended to be used as a guide. It does not replace regular communication with Child's Name parent/carer.</p> <p>Any change in Child's Name symptoms must be communicated to the child's parent/carer.</p> <p>The plan should be updated as information changes, at least annually.</p> <p>PLEASE NOTE...</p>
