20:30pm	100ml	1 scoop	2ml		Brown
TOTALS	535ml + 40 min	6.5 scoop	8ml	Half capsule	

## Feeding Chart

Date: \_\_\_\_\_

This feeding chart can be used to track your baby's medication dosages and keep track of their daily intake of milk, Creon (if required), salt and multivitamin. This will be a particularly useful resource at clinic visits.

Feed Time	Feed volume and/ or BF time	Creon	Salt	VitABDECK	Bowels (include description)
