

# Newly Diagnosed Services

Congratulations on the birth of your new baby. Having a baby diagnosed with CF can be overwhelming. CFWA is here to support you and your family with a range of services as outlined below.

Please contact our Services team on [services@cfwa.org.au](mailto:services@cfwa.org.au) for more information.

## Family Support

- Home support including:
  - Practical support, short term cleaning and respite
  - Assistance with physio and routines
  - Parenting and family support
- Social work and mental health support

## Peer Connection

- Access to private Facebook group; [CFTalk Parents](#)
- CF Parents Connect: online playgroup for parents
- Peer connection and respite events

## Financial Support

Financial support including:

- Travel and parking subsidy to attend CF hospital appointments and admissions
- Family support subsidy
- Mental health gap funding

Additional support is also available for those in crisis or experiencing financial hardship.
