

CYSTIC FIBROSIS WA (INC)

Call for Nominations to the Board 2024

Four 2-year vacancies (Even Year Vacancies)

In accordance with Cystic Fibrosis WA (Inc)'s constitution, clause 12 Elections: Nominations for elected board members are called for.

This year, there are three elected positions on the board which will fall vacant at the AGM. In addition, there is one existing elected position vacancy which may be filled. All positions are for a two-year elected term.

Two of the current elected Board members whose terms expire at the AGM have indicated their intention to re-nominate for elected positions. Two of the current co-opted Board members have indicated their intention to nominate for an elected position.

Nominees must be nominated by at least one current member of CFWA. Nominations must be in writing on this nomination form and may be made any time from Wednesday 9 May 2024. They must reach CFWA no later than 6:00 pm WST on Monday 17 June 2024. *Late nominations will not be accepted.*

Should there be an excess of nominees over the number of vacancies, an election will be held at the June 2024 AGM. The Board is also able to co-opt members from time to time to bring special skills or experience to the Board, and thus interested members with such expertise are encouraged to apply.
