

Support Services for Families

CFWA is here to provide support and resources to assist children with CF and their families.

We have a range of services available as outlined below. Please contact our Services team on services@cfwa.org.au for more information.

Family Support

- Home support including:
 - Airway clearance and exercise routines (metro only)
 - Short term cleaning and respite
 - Assistance with home routines, behaviour and emotional regulation
- Social work and mental health support
- Physio and nebuliser advice

Peer Connection

- Peer connection events for carers
- Access to private Facebook group; CFTalk Parents
- CF Kids Connect Program
- CF Parent Connect Program

Financial Support

CFWA financial subsidies are available for individuals and families in need. They include:

- Travel and parking subsidy to attend CF hospital appointments and admissions
- Family support subsidy
- Mental health gap funding for carers

Additional support is also available for those experiencing a financial crisis or extreme hardship.
